4. SPECIAL ORDER OF BUSINESS

A. Resolution 9203, Charter Commission Appointment Advice to Chief Judge.

City Administrator Zikmund reviewed the applications the City received for the open Charter Commission seat. He explained the applications were received late today. He requested the Council review the applications and provide appointment advice to the Chief Judge.

Mayor Mueller commented on the three applications and asked if the Council had time to review the material. She reported the City received applications from Rebecca J.R. Scholl, Andrew Charles Munson, and Douglas Charles Schmidt. She explained several seats on the Charter Commission will expire at the end of the year and she was uncertain if these individuals would consider reapplying to serve. City Administrator Zikmund explained the three applicants before the Council were interested in filling the vacant seat from Justin Klander on the Charter Commission. He clarified that the Charter Commission would have five seats open in October of 2020. He noted the judge was interested in filling this seat prior to that time. He reported the five vacancies would be filled later this year.

Mayor Mueller stated she was thrilled to see the City had three applications for this vacancy. She indicated she would support the Council recommending the very first application the City received and then encouraging the other two applicants to reapply.

Council Member Meehlhause explained he would support this recommendation, which was for Rebecca Scholl.

Council Member Gunn supported this recommendation. She asked if the other two candidates would need to reapply for the open seats in October. City Administrator Zikmund reported the courts would require these individuals to reapply.
